	Topic for the Week: Review Adding and Subtracting Fractions				
	Code Math Mixed Numbers	Add & Sub Fractions Trifold	Quizzizz	Code by Answer Adding and Subtracting Fractions	Quizzizz
	Online: Please see Math Classroom for more details and directions.				
	IXL 5.L5 Add and subtract mixed numbers with like denominators	IXL 5.L11 Add and subtract fractions with unlike denominators: word problems	Quizzizz	IXL 5.L20 Add and subtract mixed numbers: word problems	Quizzizz
Science	NEW Topic for the Week: American Revolution				

SCIENCE OR SOCIAL STUDIES	Read the articles about American Revolution. Complete the worksheets.			
	Online Option: Please see Social Studies Classroom for more details and directions.			
	Brain Pop Watch Video	Re-Watch Brain Pop Video Do REVIEW Quiz	Brain Pop Do GRADED Quiz, submit a Screen Shot of results	Brain Pop Do Challenge Activities, Submit a Screen Shot of at least one GRADED Challenge Activity
FOR FUN	Go to the Makerspace/Library/Arts/PE/Counseling page and do at least 2 of the suggested activities this week.			

NOTES:
Please do not feel like you need to do ALL of the activities. Try to do a little bit of Math and Reading every day. However, we would like for you to prioritize the NEW material and stick to either the Offline **OR** Online version. We do recommend the Online version, if that is possible for you.

Choose days you want to do work on areas that span over a few days (i.e. pick a day that you want to do Science).

Anything that you would like for us to look at, you can submit in Google Classroom. This is not required. If Google Classroom does not have an assignment created, then ask your parents send a picture in Class Dojo.

Most importantly, please send us an e-mail or message us in Dojo if you have a question!
